WHO PLAYS BECOMES THE GAME

Dear Monster,

It all is becoming so much more than just a game of cards.

Monster Club has allowed bonds to be forged beyond borders and time zones. And even during global crisis it has proven to be a beaken of joy, friendship and healthy competition. Regardless of our differences.

We are extremily proud of the Monster Club community consisting of remarkable individuals. And we are aware of the fact that these milestones are not on the corporation.

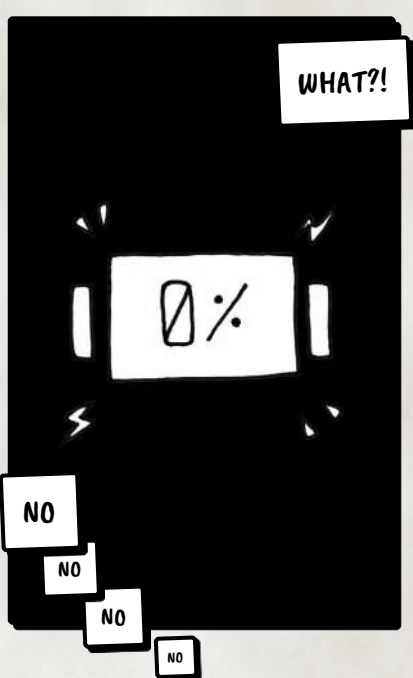

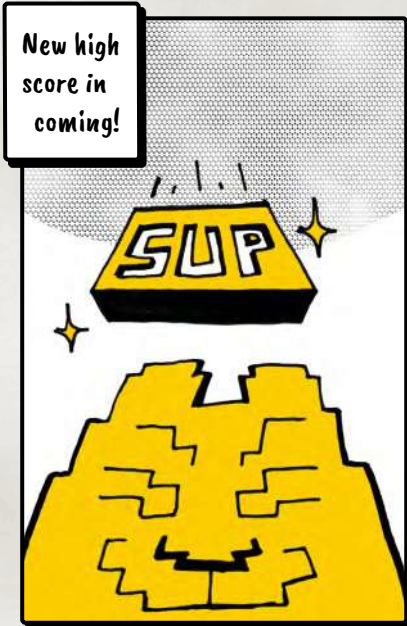

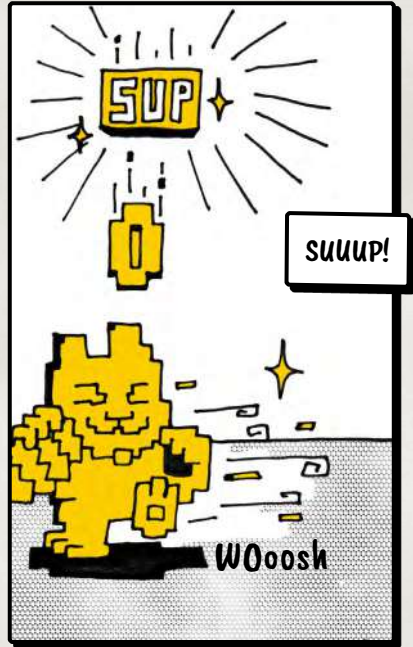

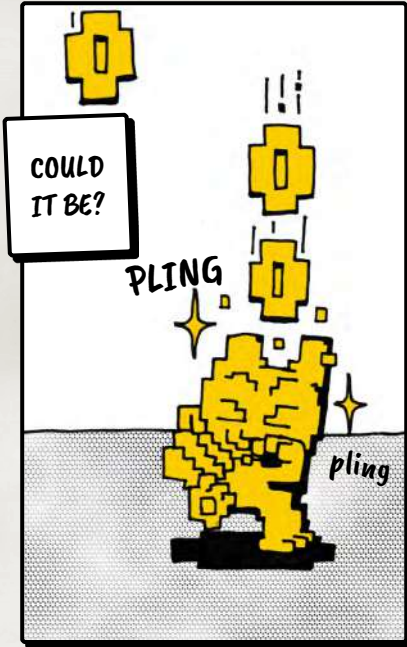

These milestones are on you.

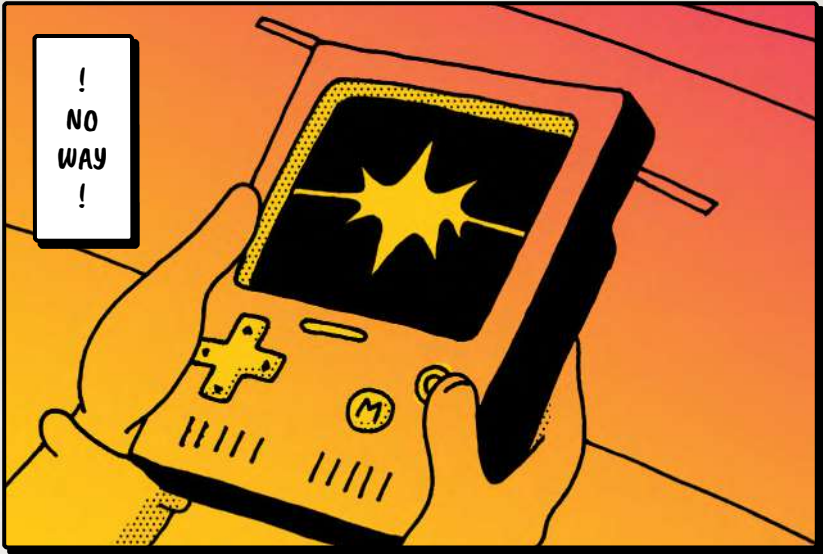

While our grandiose story is about to unfold in front of your eyes in the months to come, there is so much for us to learn from the community, the club. This is to T.M.C.C. what truly gives meaning to the phrase:

"WHO PLAYS BECOMES THE GAME."

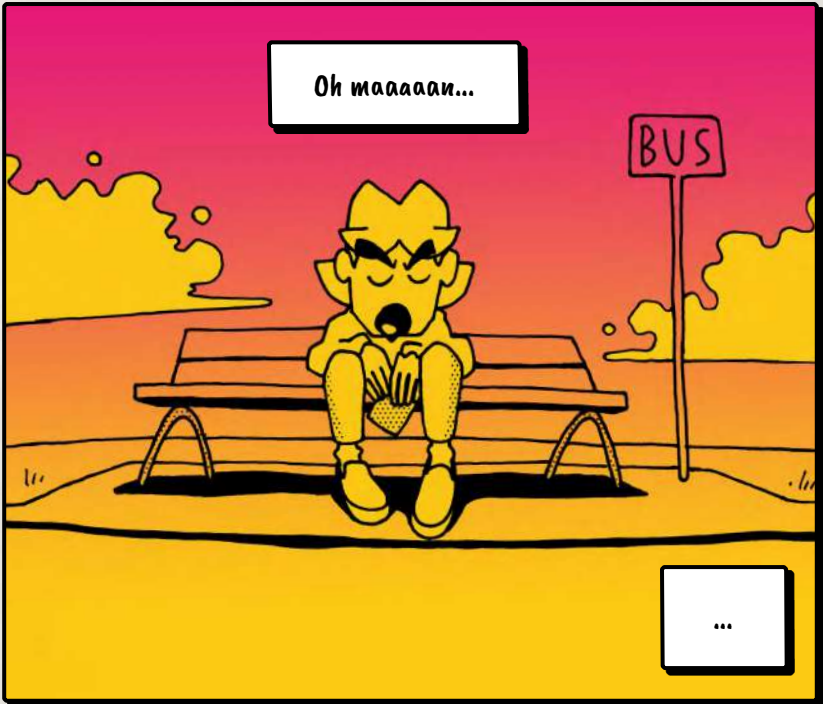

YOUR STORY CONTINUES NOW...

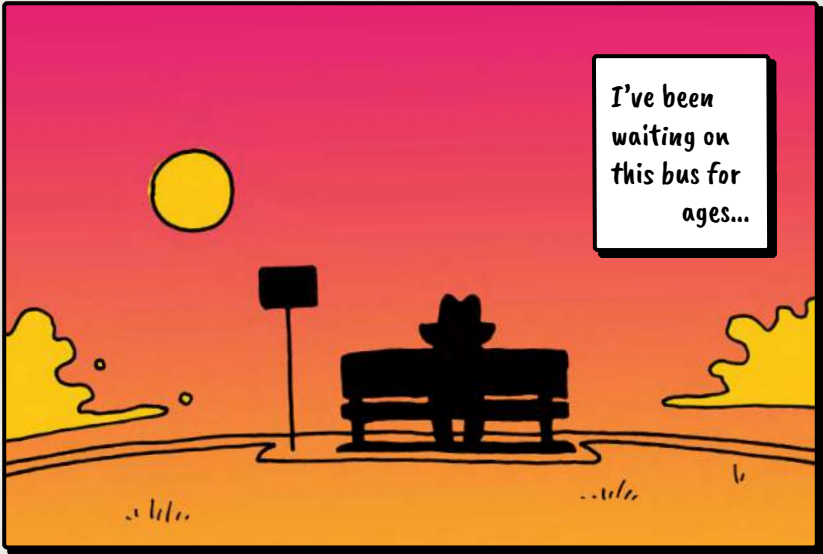

!
NO
WAY
!

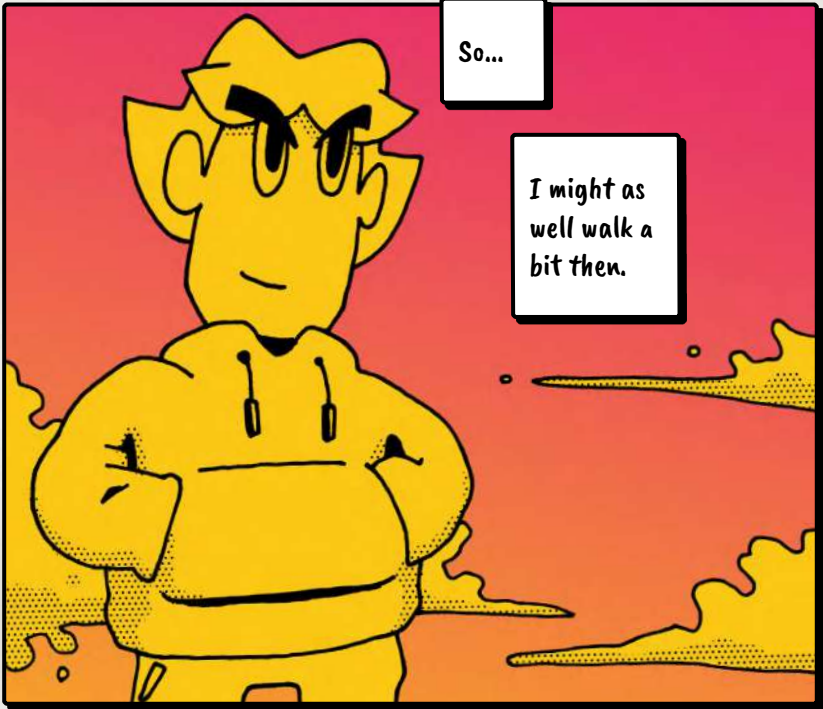

Oh maaaaan...

...

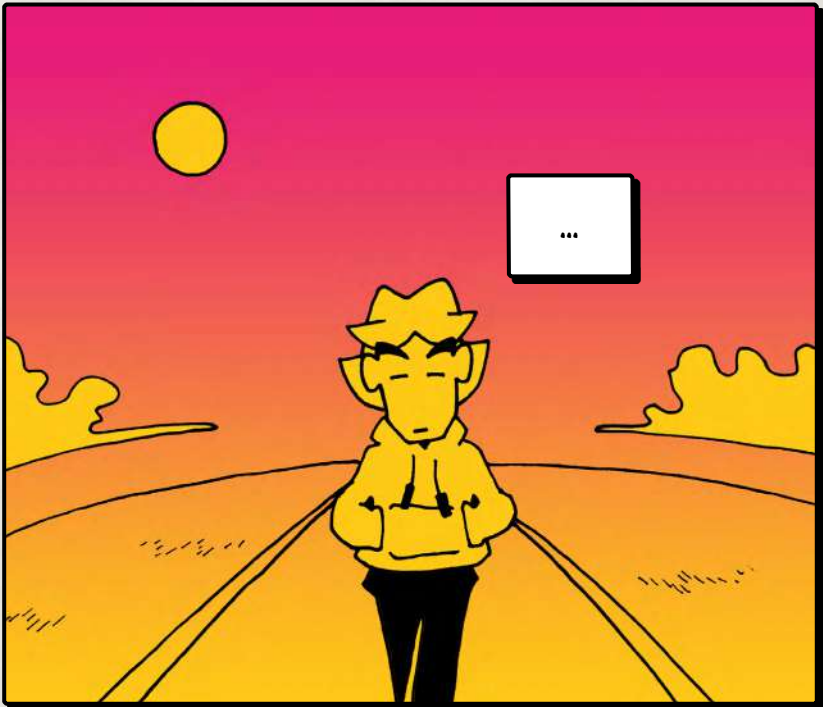

I've been waiting on this bus for ages...

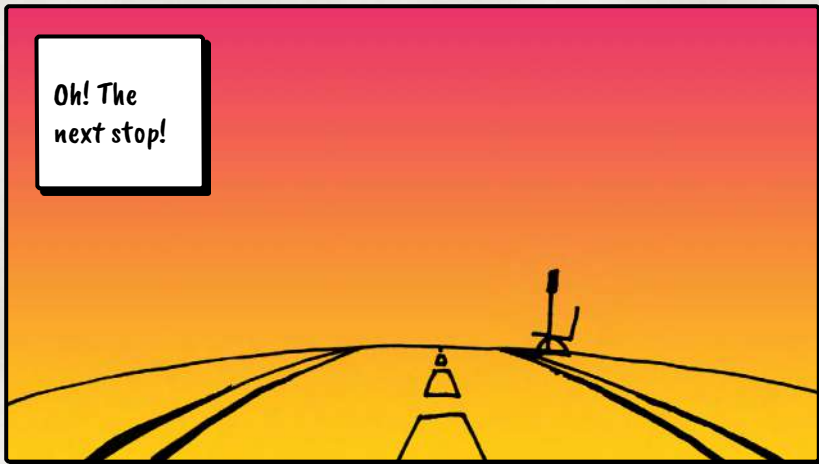

So...

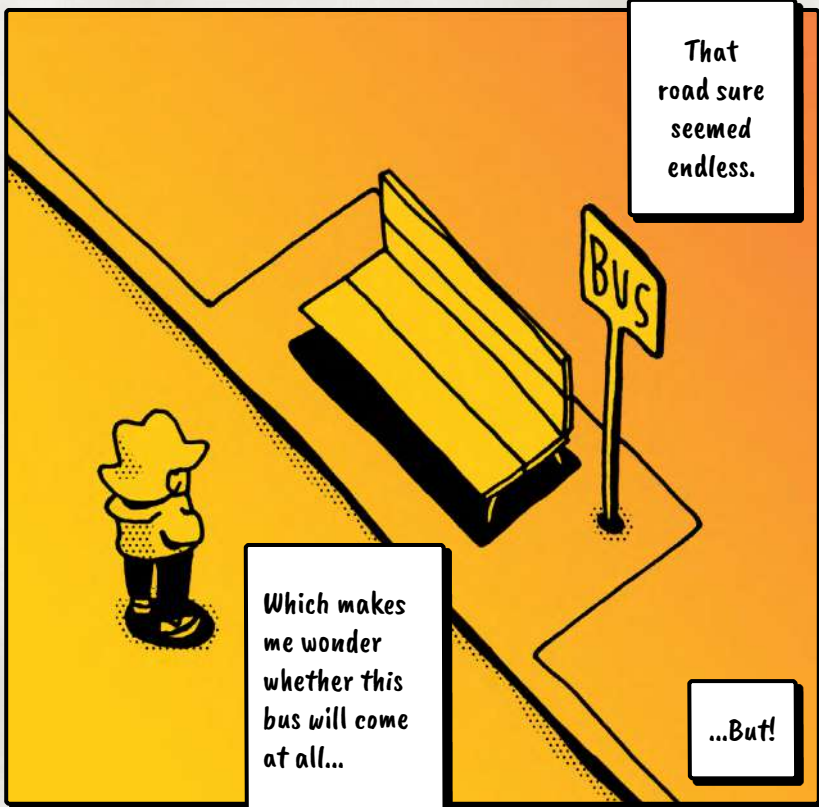

I might as well walk a bit then.

Oh! The next stop!

That road sure seemed endless.

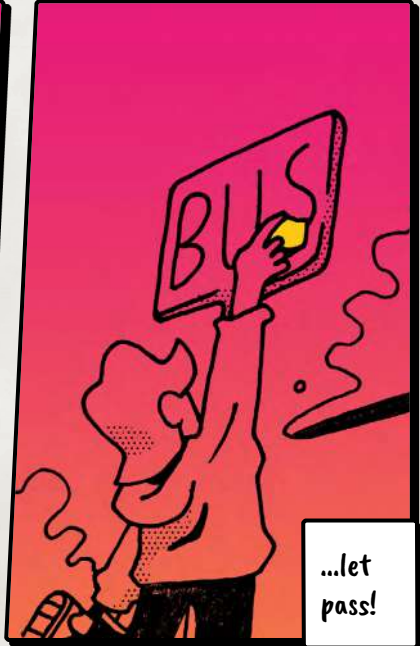

Which makes me wonder whether this bus will come at all...

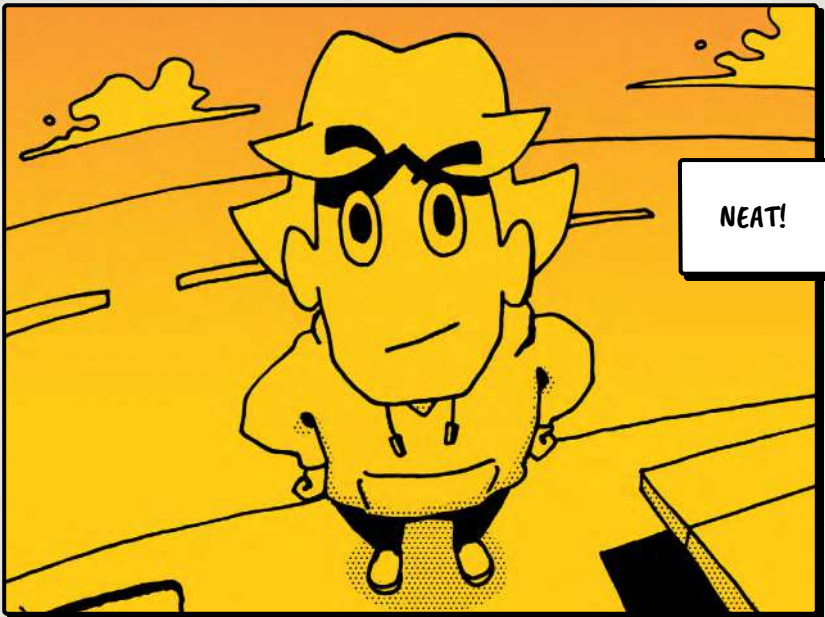

...But!

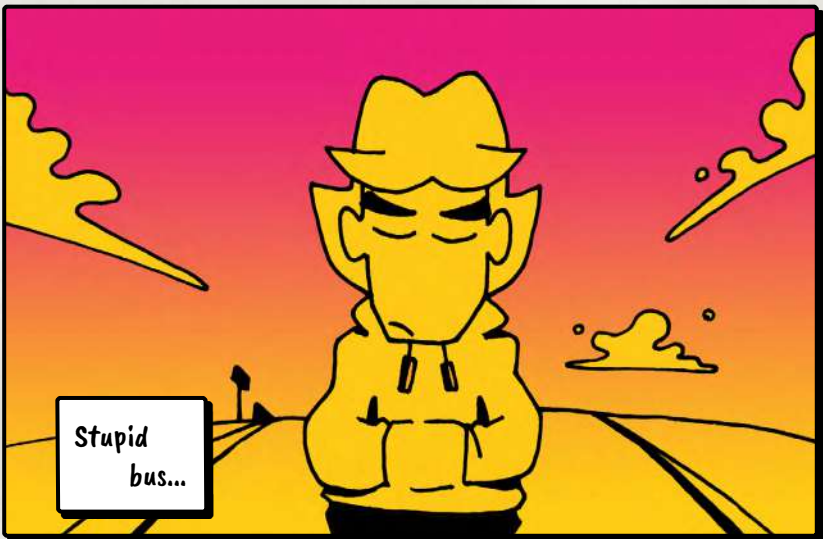

I won't let an opportunity to stick one of my stickers...

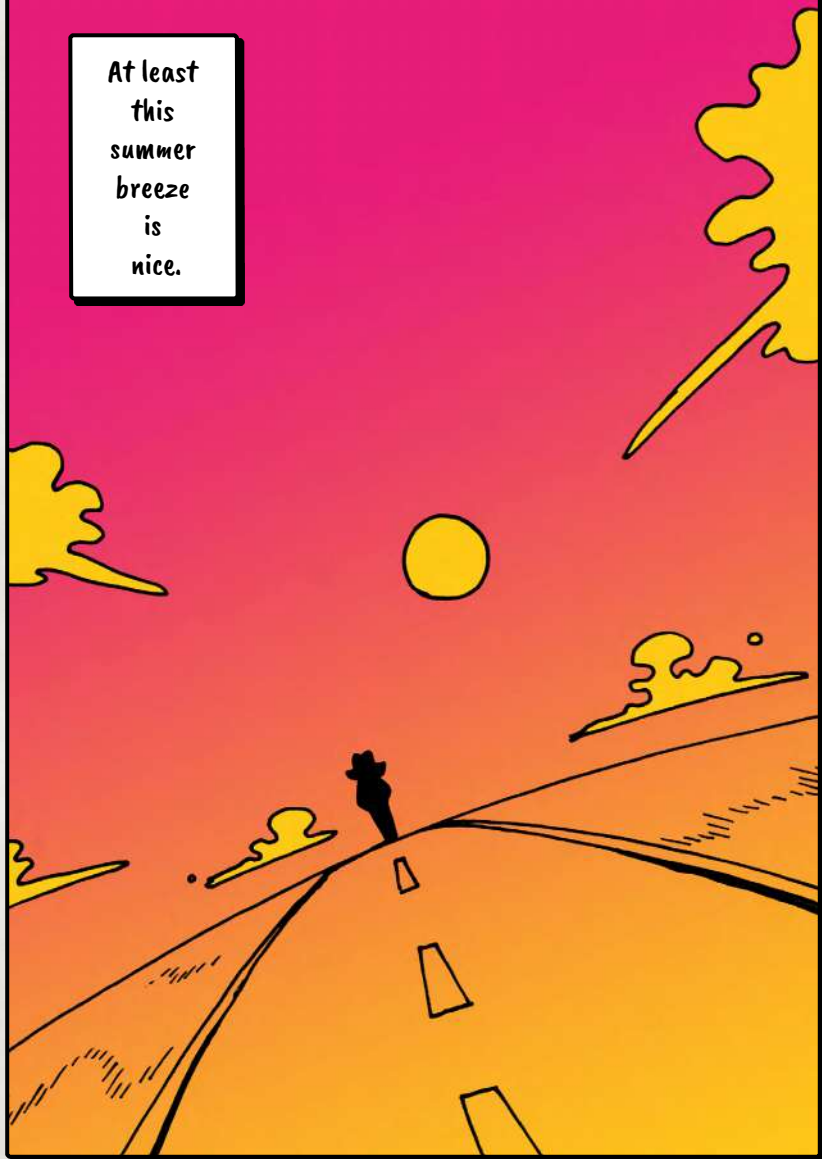

...let pass!

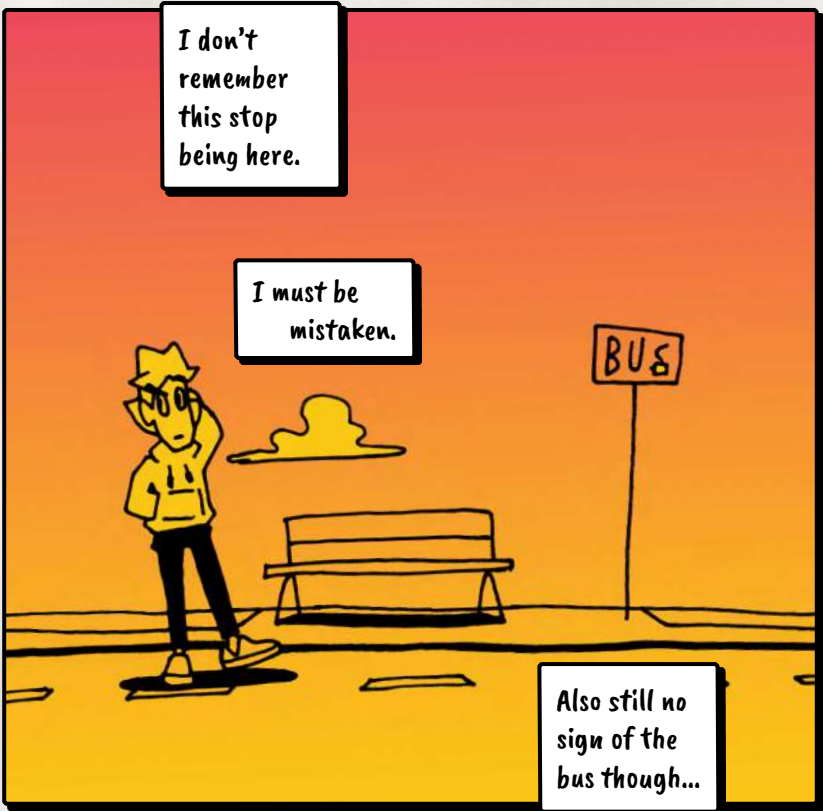

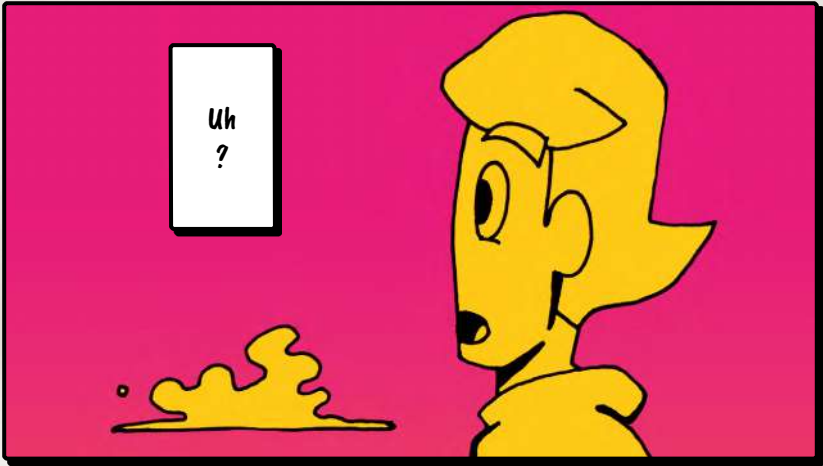

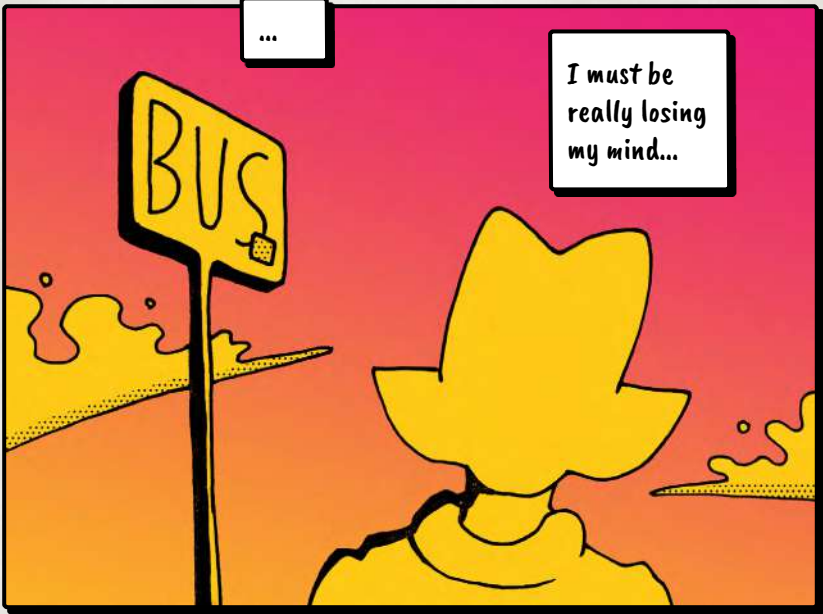

NEAT!

At least
this
summer
breeze
is
nice.

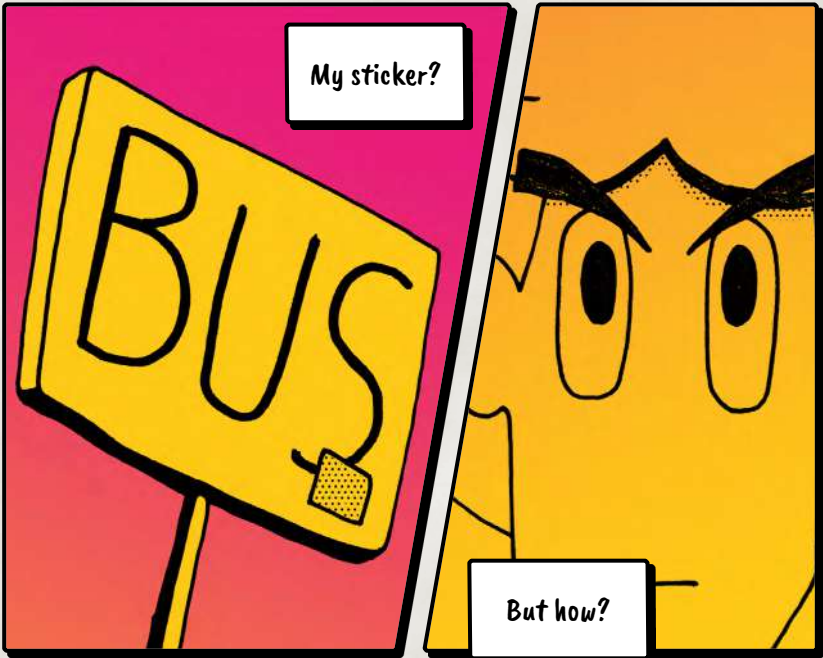

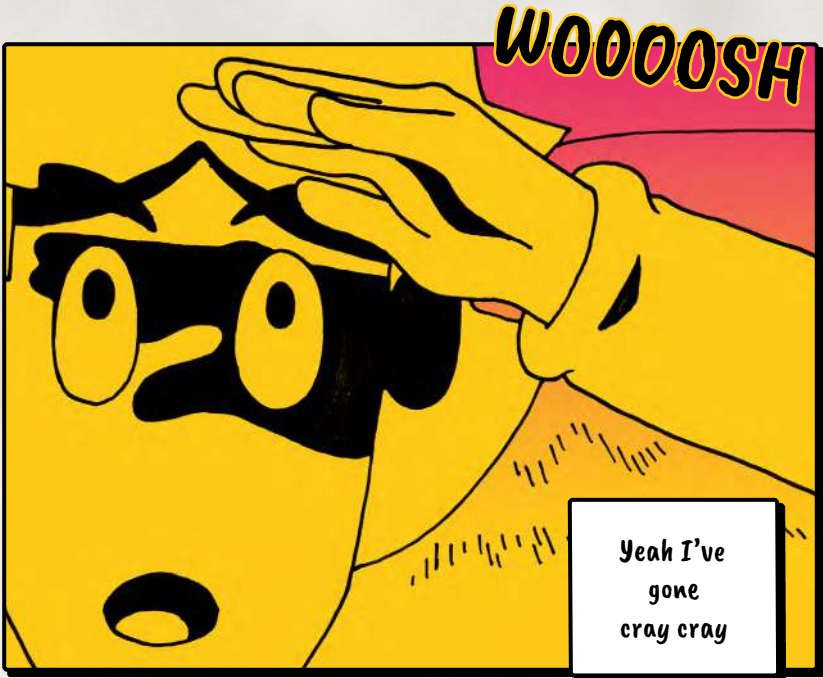

...

I must be really losing my mind...

My sticker?

But how?

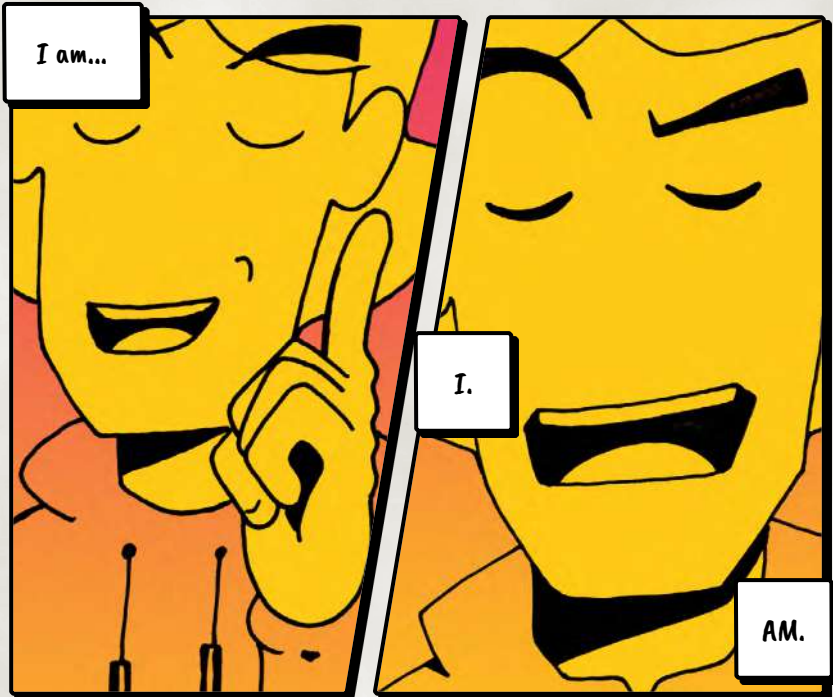

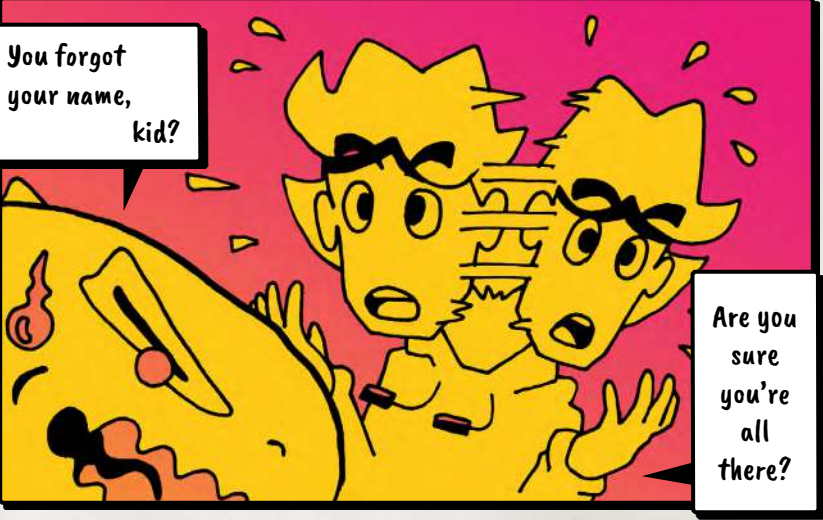

WOOSH

Yeah I've
gone
cray cray

I'm
sure of
that
now.

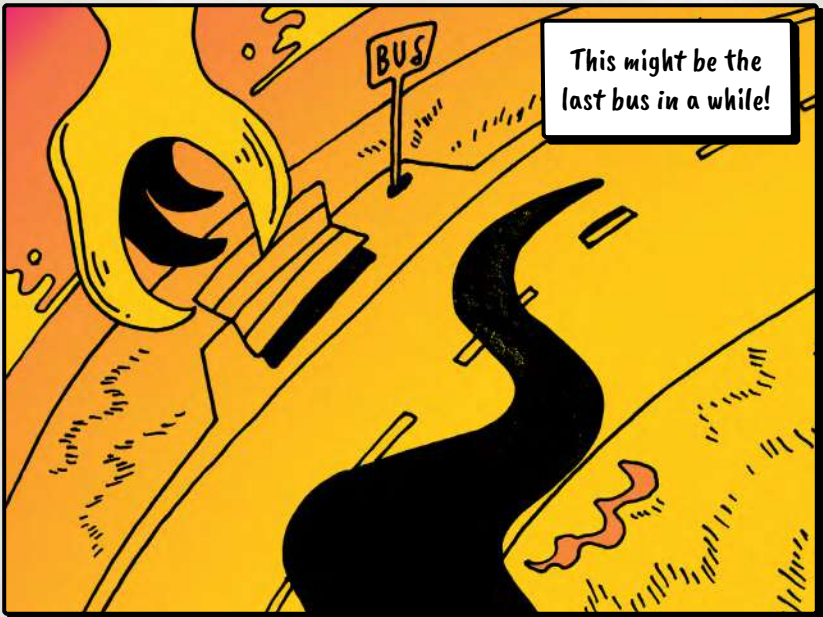

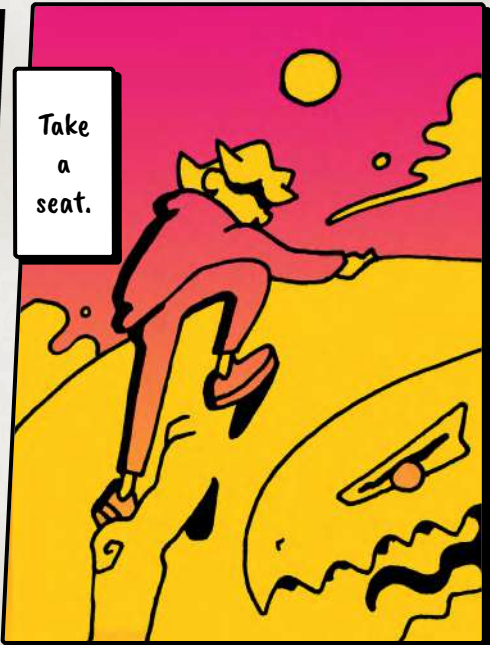

You forgot
your name,
kid?

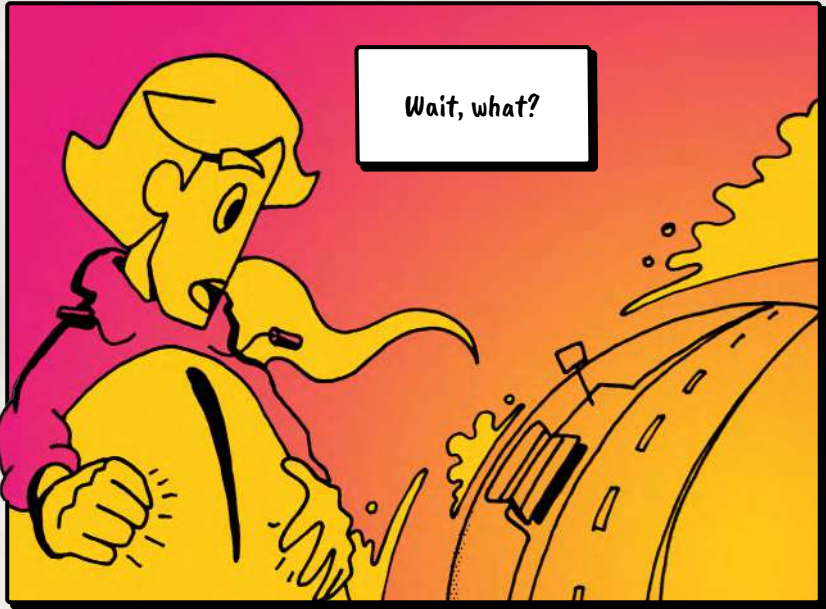

Are you
sure
you're
all
there?

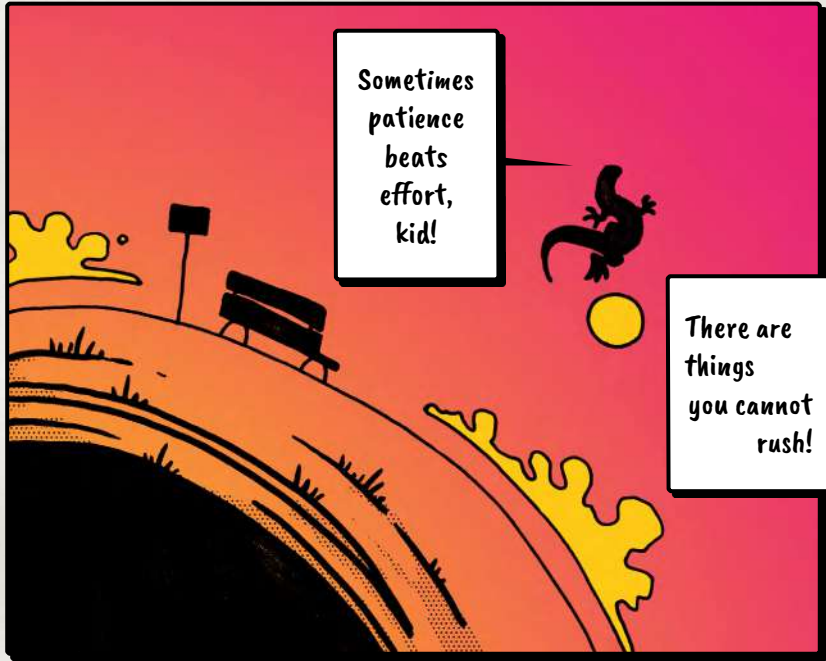

AND
YOU'RE A
FREAKIN'
COMBO
DRAGON!

Well, as long
as you know
where you're
heading you're
good!

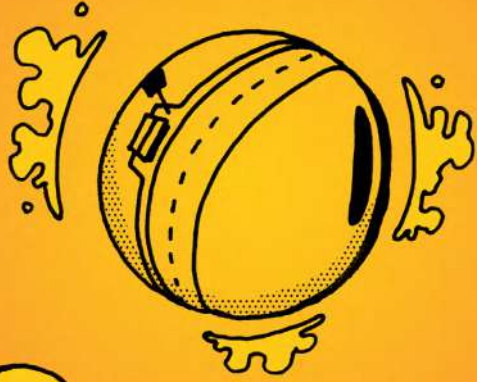

Wait, what?

Sometimes
patience
beats
effort,
kid!

There are
things
you cannot
rush!

So where
are we
going
?

TO THE END
OF THE
WORLD OF
COURSE
!

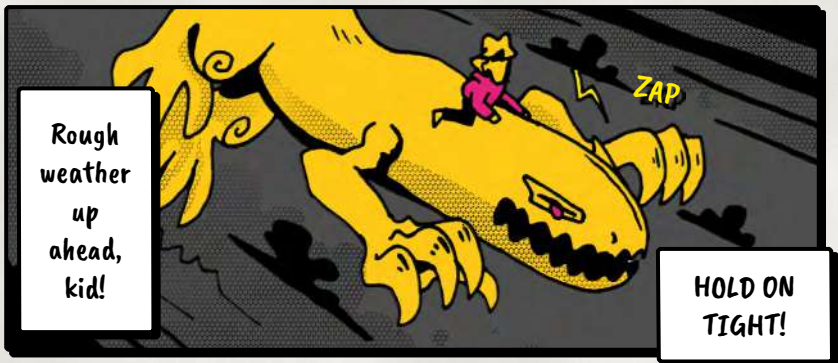

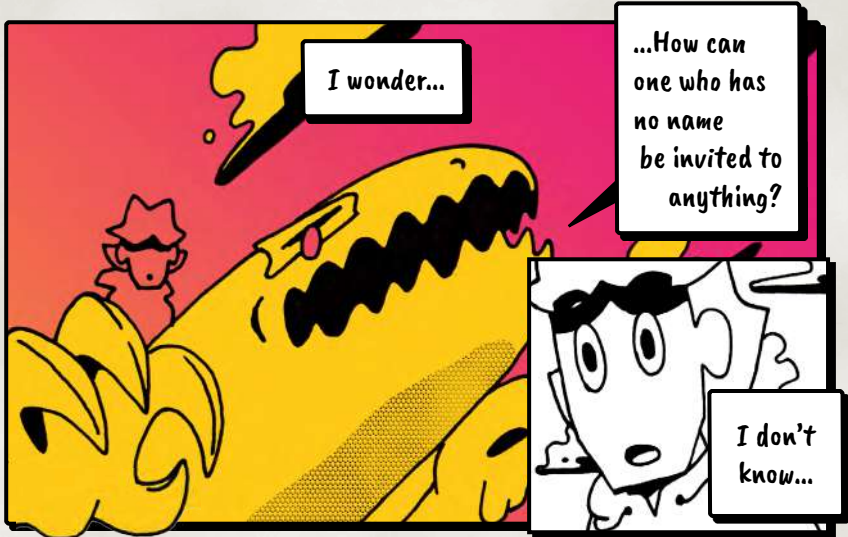

Not many passengers depart from that stop, you know.

If I may ask ...

...why are you traveling to the end of the world?

I was invited.

So this
is it?

...Is this
how it
ends?

Falling into
an endless
abyss not
remembering
anything...

No memories,
no friends...
At least that
Combo Dragon
was nice...

**"AS LONG AS YOU KNOW
WHERE YOU'RE HEADING,
YOU'RE GOOD!"**

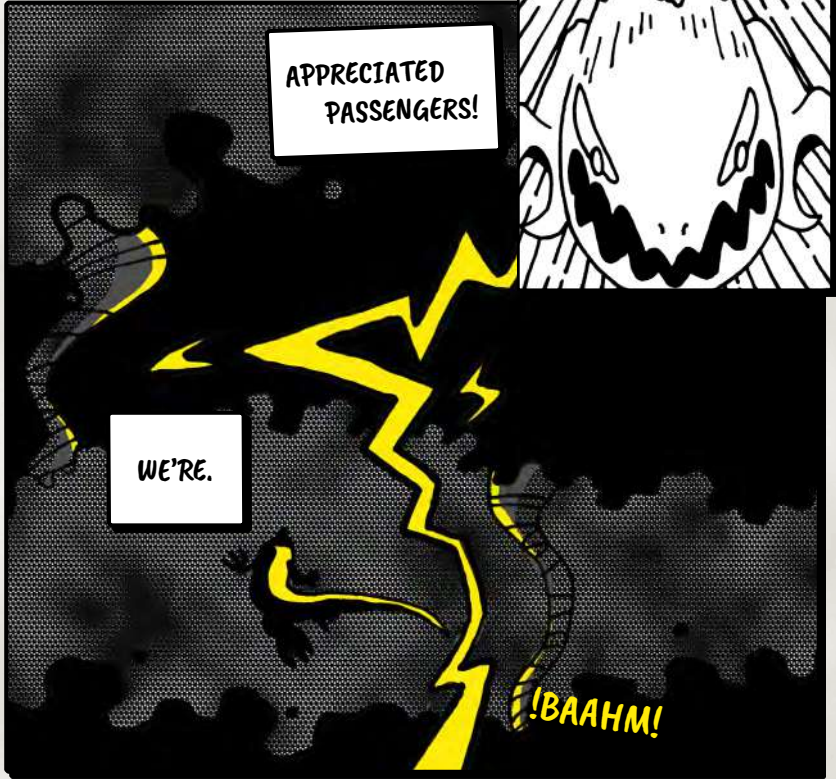

...Never to reach...
The End Of The World.

HOLD
ON
TIGHT,
I
SAID
!

OOF!

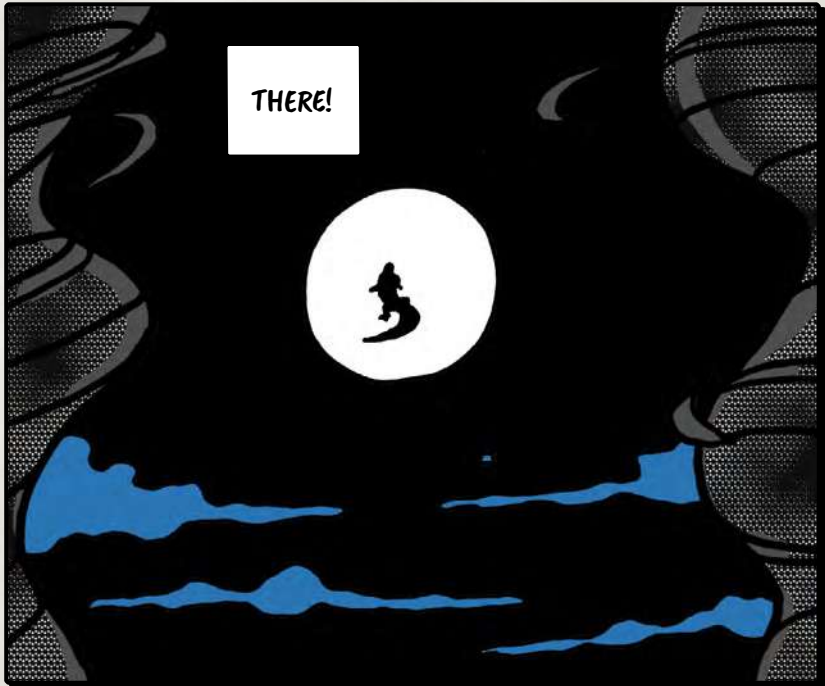

Woosh

APPRECIATED
PASSENGERS!

WE'RE.

!BAAHM!

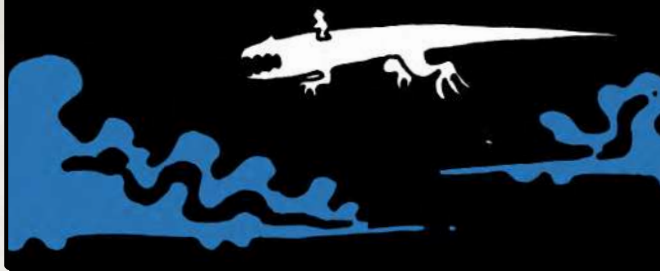

Had you fallen asleep!?
I told you to hold on
tight. You should stay
focused. This ain't no
game you know!

But we
made it
through!-

-Of course we did.

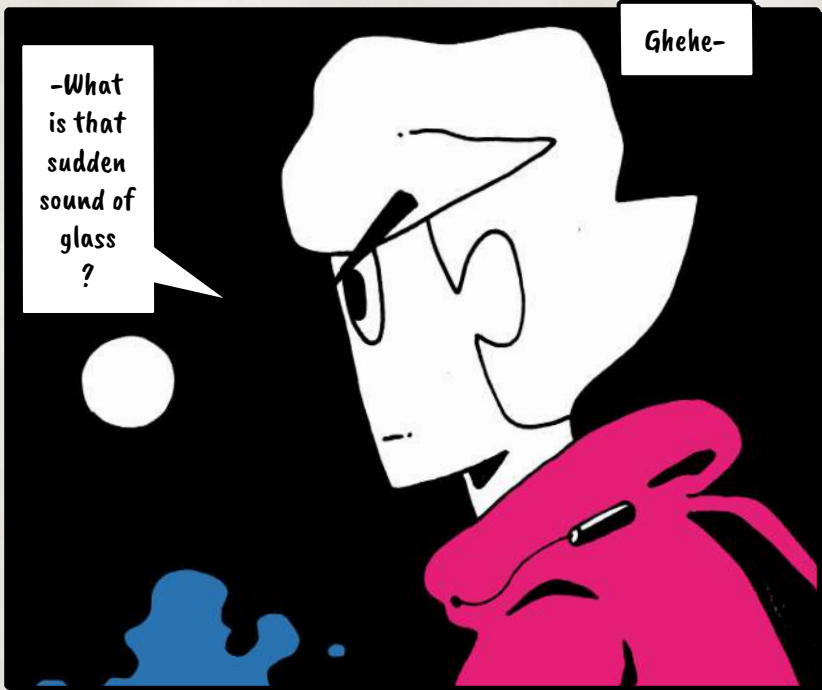

I'm no ordinary
bus, you see...

We've almost reached the final stop, kid.

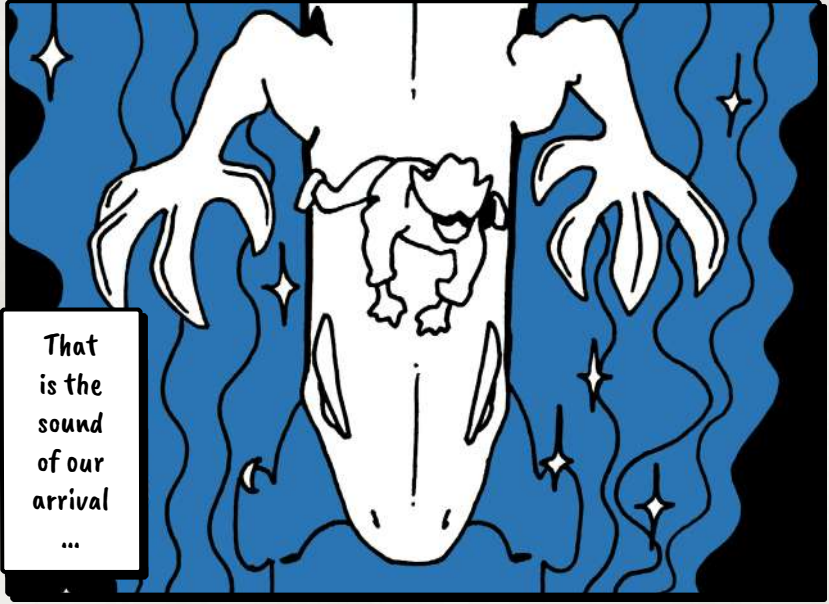

Don't forget to check out !

-What is that sudden sound of glass ?

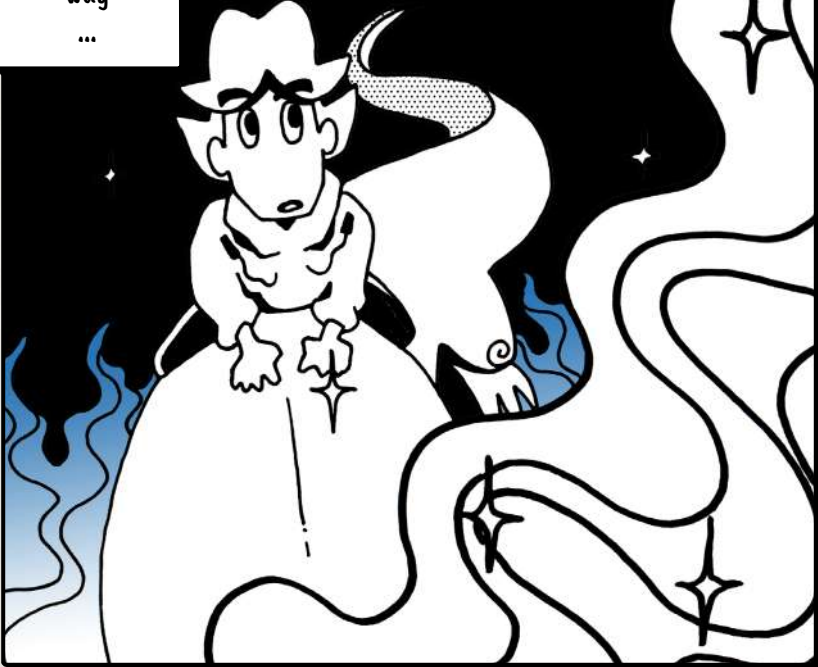

Ghehe-

The Lady of
The Night Sky.

You are
truly
fortunate,
Pink!

She must
have
followed
us
all this
way
...

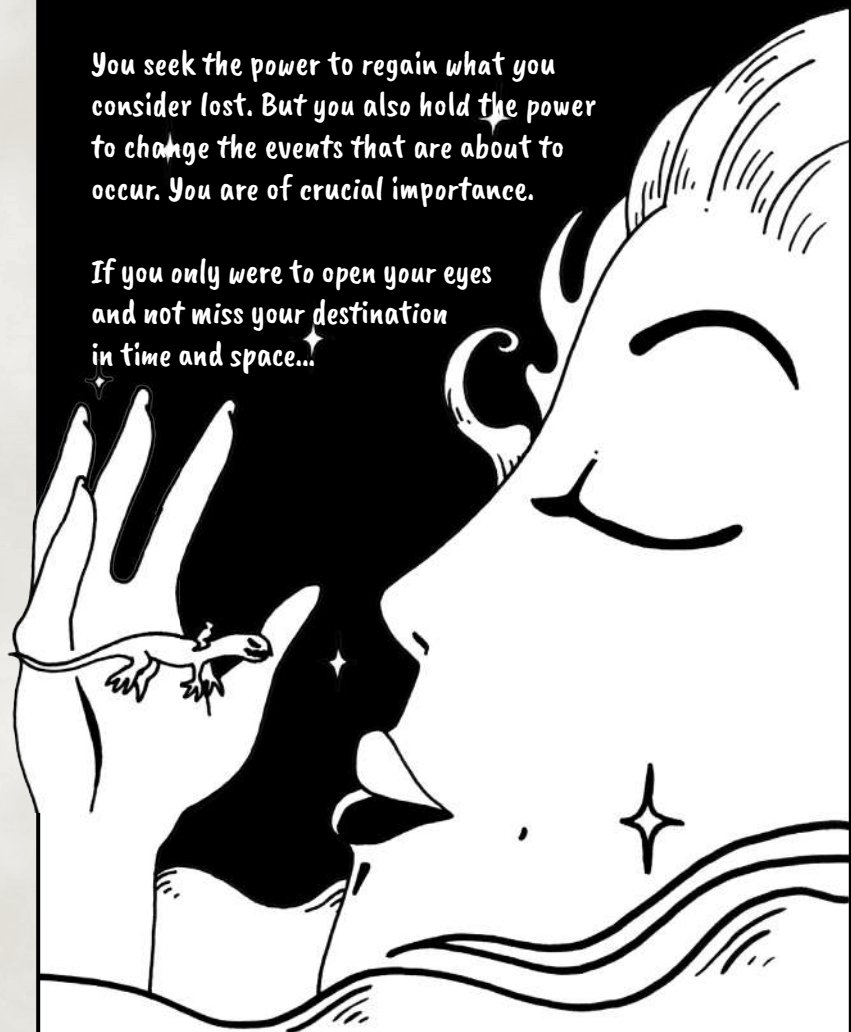

*I am happy that somehow
you have found your way here...*

...Your heart fears that you lost your memories of your life & your friends of whom you cannot remember the faces nor names. But that is not what is at stake here.

You seek the power to regain what you consider lost. But you also hold the power to change the events that are about to occur. You are of crucial importance.

If you only were to open your eyes and not miss your destination in time and space...

But lady,
is this the
afterlife?

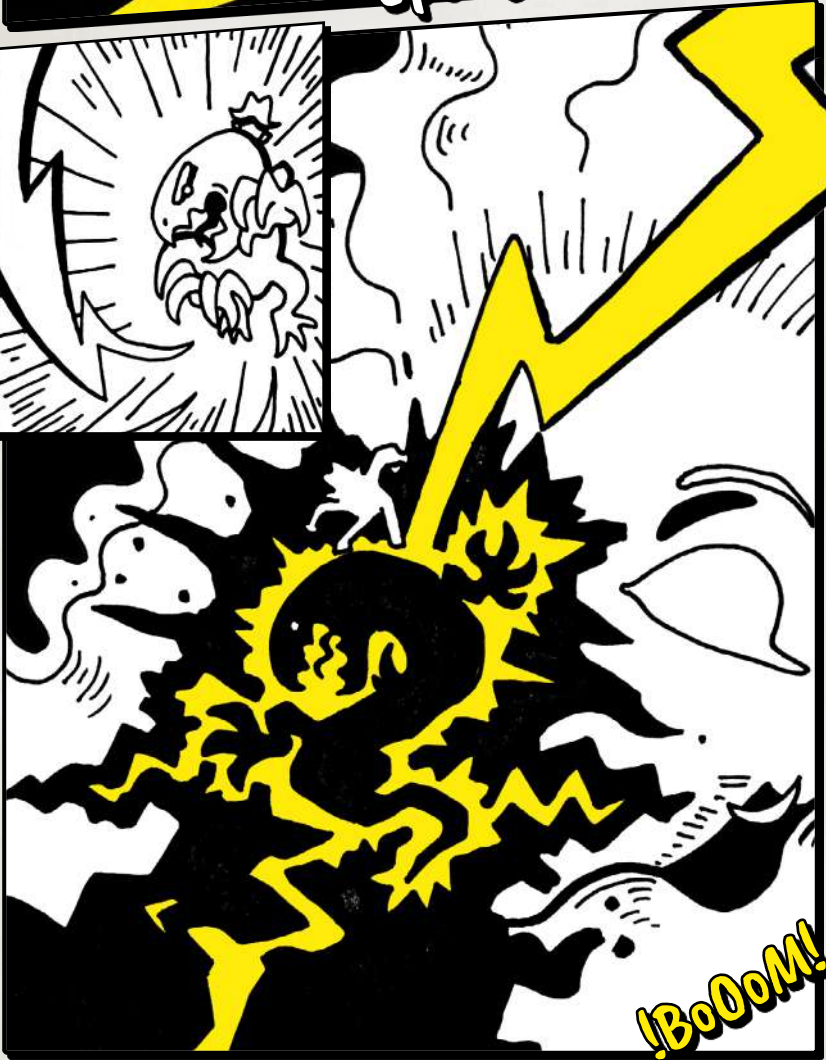

Hehe...
The gift
of change is
with you...

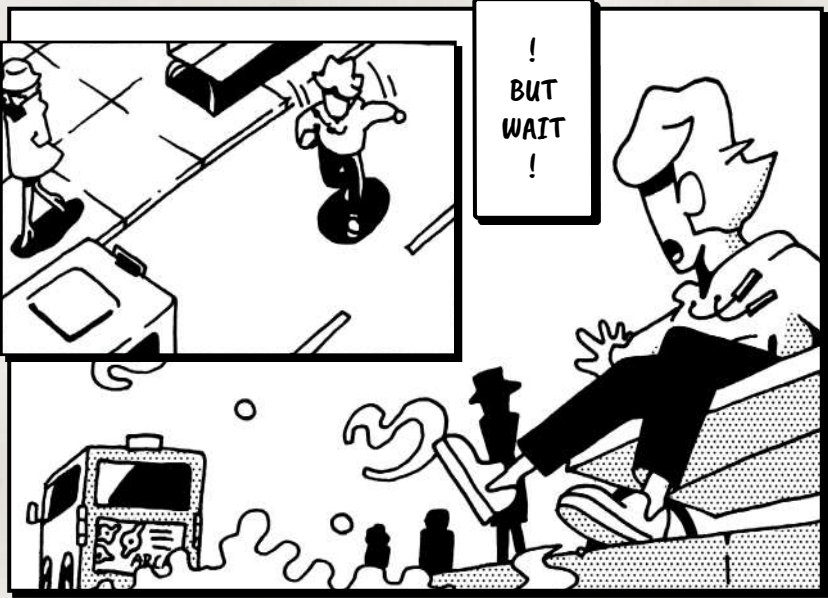

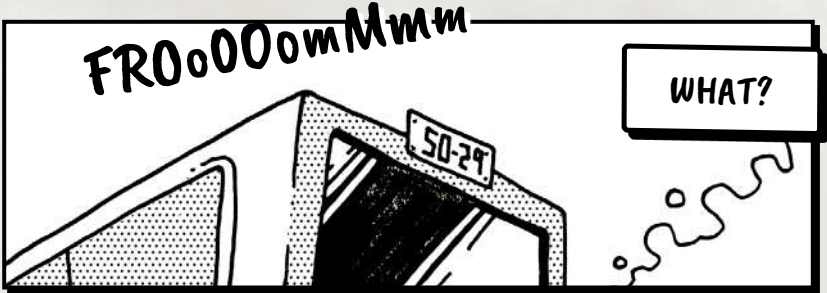

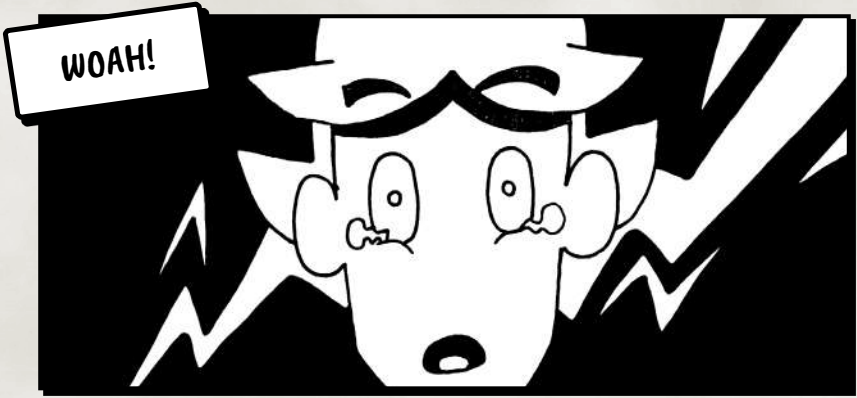

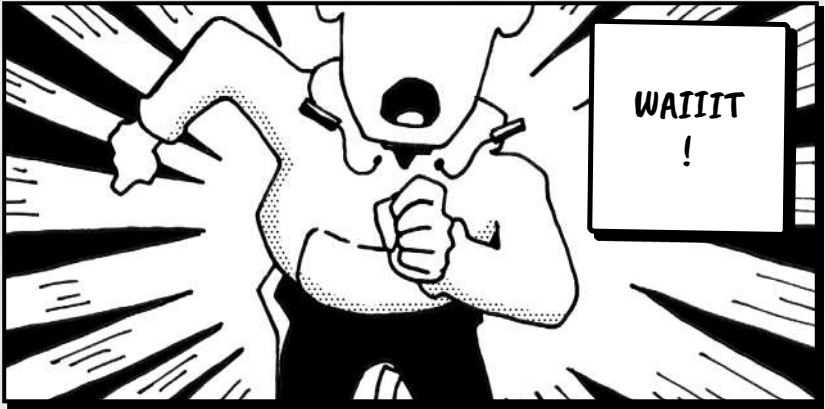

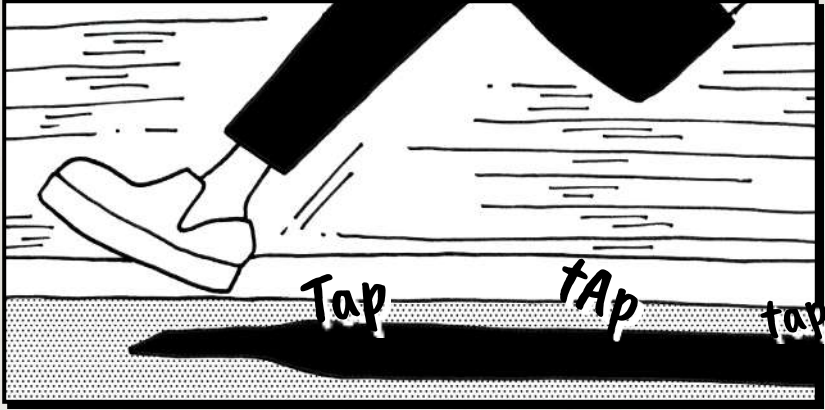

...But if you miss
your destination all
its potential goes to waste.

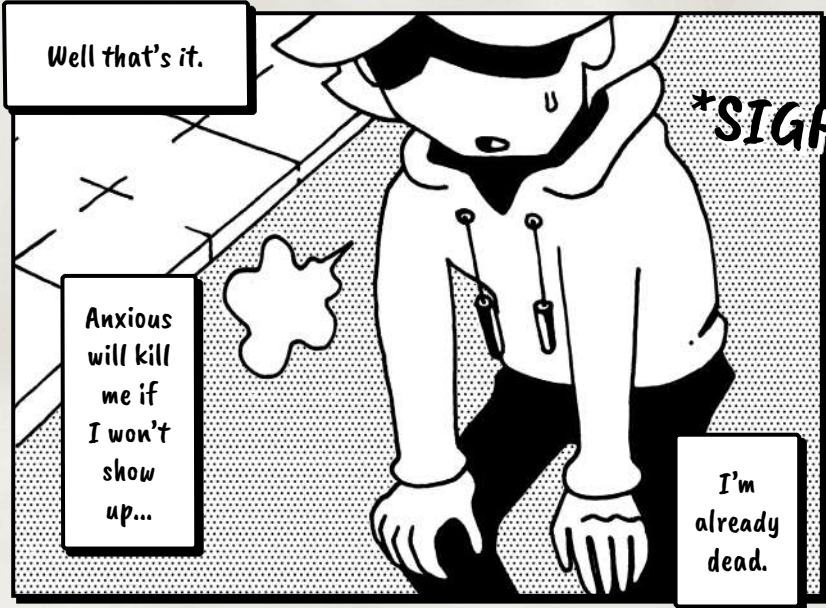

And the world
which you cannot
remember
shall be bound
to change
forever.
